INCREASE YOUR CORPORATE VISIBILITY!

We have Three Levels of Corporate Support to meet your needs! The exclusive Platinum Level includes the opportunity to upgrade to a Parlor Suite. Your company can become an official SW Test 2015 Corporate Supporter and receive prominent recognition throughout the workshop, including these exclusive promotional opportunities at every Corporate Support Level:

- A Corporate Supporter/Exhibitor Golf Tournament – One 4 person team with cart included in all levels
- Your Company’s Logo on the official workshop bags that are distributed to all attendees
- A link to your Company’s website prominently featured on the workshop website’s home page, www.swtest.org
- Your Company’s name and logo printed on on-site workshop materials and in the on-site workshop program
- A complimentary, advertisement in the Expo Directory
- “Corporate Supporter” signage at your Company’s Expo booth
- A dedicated Corporate Supporter table for broader distribution of your Company’s marketing materials
- Your Logo included in the workshop “Screen Saver” which will display on computers in all session rooms

Don’t miss this great opportunity to emphasize your company’s presence and boost your visibility in the marketplace! There are a limited number of Corporate Support opportunities available and reservations will be made on a first-come, first-served basis.

We’d be happy to discuss a customized Corporate Support package to increase your exposure at this event.

EXPO 2015

EXHIBIT YOUR PRODUCTS AND SERVICES AT THE SW TEST WORKSHOP, THE ONLY WORKSHOP SPECIALIZING IN SEMICONDUCTOR WAFER LEVEL TESTING.

Corporate Supporters are the backbone of our social and networking programs at SWTW, and we’re always looking for new ways to bring you together, one-on-one, for some quality time with your customers and clients. This year is the SWTW Golf Tournament, Sunday, June 9th. This opportunity is open to SWTW Corporate Supporters and Exhibitors. As an SWTW Corporate Supporter, all levels of support, Silver through Platinum, will include a 4-person team, including carts. Additional 4-person teams may be formed for an additional fee.

For more information on any of these Corporate Support opportunities, please contact Maddie Harwood:
Tel: +1 (912)-508-1133
Email: maddie@cemamerica.com

The SW Test Workshop is the only workshop specializing in semiconductor wafer level testing. It has a comprehensive technical program that is complemented by social activities which promote networking and sharing among the attendees, including a Corporate Supporter / Exhibitor golf tournament. Booth displays at SWTW provide attendees with a one-stop opportunity to meet first-hand with all the key suppliers and learn about their new products and services.

June 7-10, 2015
Rancho Bernardo Inn
San Diego, CA
EXHIBIT YOUR PRODUCTS & SERVICES AT SW Test 2015

The SWTW is THE WORKSHOP for wafer test professionals with a very successful 20+ year history. Now in its 25th year, Semiconductor Wafer Test Workshop (SW Test) remains the only industry event for wafer test professionals that is focused on all the aspects of microelectronic wafer and die level testing.

SWTW draws an international Who’s-Who in the wafer test industry. Past SW Test Workshops have attracted over 450 attendees - ALL focused on probers, probe cards, testers, and related products and services.

SW Test is well known throughout the wafer test and test technology industry, and receives regular press coverage in Evaluation Engineering, Chip Scale Review, and other industry publications as well as various on-line technology blogs.

Expo hours do not compete with the technical program. The Expo will be open for three hours on Monday evening with cocktails and carving stations for dinner. It will also be open for two hours on Tuesday afternoon for an extended afternoon break.

Your company’s contact information will be listed in the Expo Directory and on the SWTW website along with a link to your company’s website.

Other exhibitors may be your customers, suppliers, or influence your customers!

To sign up, go to www.swtest.org

See More Exhibitor Information at: www.swtest.org

EARLY REGISTRATION IS ENCOURAGED. The display area is limited to 42 booths, and they have been “sold out” two months before the workshop in past years. Space will be allocated on a first-come, first-served basis with past exhibitors and corporate supporters receiving priority for 30 days.

The nonrefundable (if application is accepted) supplier display fee is $1,450 per booth. One Exhibitor badge is provided that includes all meals and social activities. There is an additional charge of $380 to upgrade that badge to Full Workshop registration, in advance.

Additional Exhibitor badges may be purchased for $480 each in advance or $580 onsite. These include all meals and social activities, but not workshop attendance. Full Workshop registration prior to May 15, 2015, is $750.

The exhibit space is approximately 10’ wide by 8’ deep and includes one draped 6’ long table and chairs. Banners hung on the pipe and drape behind each booth or freestanding backdrops are allowed, but the maximum size is 8’ high by 10’ wide.

Exhibit material is limited to small equipment displays, photographs, literature, and a laptop computer for short presentations. No real-time product displays requiring power are allowed in Expo Pavilion. All exhibit material must fit inside the booth space.

Exhibits will be held in the EXPO Pavilion adjacent to the Aragon Ballroom where Technical Sessions are held. The display area will be secured at night.

Booths will be assigned in the fairest way possible. Indicate your preferred location on the application. Efforts will be made to keep competitors apart, and location will be assigned based on application date.

Exhibit setup will be on Monday from 12:00 noon until 4:00 p.m. All materials shipped to the GES Exposition Services will be delivered to the assigned booth location Monday morning. Dismantling will be on Wednesday morning from 8:00 a.m. until 10:30 a.m. All shipments must be picked up by 12:00 noon on Wednesday June 10th or GES will remove them from the property at additional cost to Exhibitors.
